Notes:

Interactive Debate on Market Opportunities, Trading Strategies and Bioenergy Policy Clarifications

ACI's 3rd Annual Bioenergy Commodity Trading will comprise two days of formal presentations, interactive panel discussions and excellent networking opportunities, providing an open and intimate setting for senior executives and experts. This year event will take place in Brussels, Belgium, on 20-21 November 2013. This is the ideal setting to convene with your peers to discuss the regulations and policies regarding the Bioenergy Commodity Trading, bioenergy supply chain, focusing on national biomass subsidy schemes, sustainability & certification issues as well as assessing the business risk for the future.

Who Will Attend?

Directors and managers of biomass trading, sourcing, supply, procurement from leading power generating companies, utilities, biomass and biofuels producers, financial institutions as well as commodity brokers & analysts, shipping & freight brokers, material-handling companies, government officials and regulators.
