

BDZ Passengers, a unit of Bulgarian state-owned railways operator BDZ Holding has launched a tender for a three-year electricity supply contract worth some 28 million euros. According to tender documentation, the contract envisages the supply of 450,840 MWh of electricity in the next three years, or 150,280 MWh per year. The deadline for the submission of offers is 17 February and the bids will be ranked solely on price offered.
