Date : February 27, 2012

Serbia Energy Magazine interview with Ms. Nina Grall, Head of ECRB section, on SEE region Energy Market Reform Process Integration

Ms.Grall, ECRB

Serbia-Energy: Energy Community members accepted certain time frame and action plan for reform steps implementation, are you satisfied with those measures and are there any delays and for what reason?

Ms.Grall: There is no single answer to this question. The picture of implementation is diverse, with some Contracting Parties
