

Minister of Energy, Development and Environment prof. dr Zorana Mihajlovic talked with delegation of German company “Oiltanking” which deals with the construction of terminals for the storage of oil and petroleum products.

Mutual desire was confirmed at the meeting that this company, which is leading in Europe in the field of oil and oil products, invests in new storage facilities in Serbia.

Today’s talks are a continuation of the dialogue with “Oiltanking”, whose total storage capacity is about 20 million cubic meters, and the value of announced investments of “Oiltanking” would amount to about 100 MEUR.
