In a few days, Srbijagas will become formal owner of Azotara, said Dusan Bajatovic, the managing director of Srbijagas.
At the press conference in Paracin, he said that plan for reorganization of Azotara is prepared, as well as the investments of about 80 million of euros.
This will be the next project of Srbijagas, if I head this company, said Bajatovic.
He also says that the investment of 40 million of euros in improvement of energy-efficiency in
