

Valhalla Resources joins Roman Copper consortium to take over Cupru Min

Categories : [Uncategorized](#)

Date : May 18, 2012

The company says it paid USD 750,000 upon entry into the consortium, to partially finance the bid guarantee submitted for Cupru Min.

Valhalla Resources, registered in Vancouver, is a mineral exploration company, which aims to discover and develop opportunities in the area of base and precious metals in Turkey and Romania. Locally, Valhalla is exploring Bratosin Hill (Hunedoara and Arad county) through Transylvania Minerals, a company controlled by Valhalla Cyprus.
